The Leader of High End Hospitality & Custom Furniture  
Based in China, Serving to the Whole World

# ABOUT US

## WHO WE ARE

1991

Founded in 1991, GREAT DECOR is a leading high end hospitality and custom furniture manufacture group specialized in producing top-grade contract furniture for hotels, villas, clubs, restaurants, cafes, and real estate mockup rooms et al.

As the family business founders, Mr. Yao and his relatives were the first generation workers in furniture factories run by US and Taiwan investors in 1980s, by when Chinese Government was widely introducing overseas investments. After over ten years of accumulation on skills, techniques, and management; they created own furniture business called GREAT DECOR: offering great decoration furniture and products to the whole world.

The first generation factory of GREAT DECOR named Huasheng Office Furniture is located in Dongsheng Town, Zhongshan City covering a total area of 100,000 square meters, with a staff of over 800 people. At this stage, office furniture is the major business and is the top ten player in China.

2000

Early 21st centry, the second generation factory of GREAT DECOR named Huasheng Hospitality is launched in Dongsheng Town, zhongshan City; covering a total area of 40,000 square meters, with a staff of over 400 people.

2017

In 2017, the third generation factory of GREAT DECOR focusing on high-end fitting out furniture is established in Sanshui Town, Foshan City; covering a total area of 60,000 square meters, with a staff of over 150 people.

## WHY CHOOSE US

All GREAT DECOR products can meet international standards on **quality requirement, environmental protection** and **green content management**. With the wide recognition of our excellent quality and considerate services, we have become a preferred provider for many top-grade international hotel brands including Sheraton, Westin, Hilton, Intercontinental, Marriott, Grand Hyatt, Four Seasons, Ritz-Carlton, Shangri-La and many more.

GREAT DEOCR is always **customer-oriented**. We are dedicated to providing customers & partners with the best product quality
